

Devon LPC Community Pharmacy Masterclass

After long months of virtual events, Devon LPC is hitting the road again with jam-packed masterclass roadshows for all our community pharmacy teams across Devon. These face to face events have something for everyone, with

a range of speakers delivering sessions on important pharmacy services, detailing how to deliver excellent care to patients and how to provide financial security for contractors. GP CPCS, NMS, Primary Care and the hypertension service will all be covered in this whistle-stop tour, alongside time for you to catch up with your peers and discuss any local hot topics in facilitated groups.

We welcome you back to our face to face events to be together again and maximise our potential as a pharmacy workforce. A buffet with hot drinks will be provided at each event.
